Submitted by Pastor Vincent Thomas—Praise the Lord Saints! Voices of Victory National Fellowship Benevolence and Recovery Department held its Annual Food and Sleeping Bag Drive, Thanksgiving Day Service, and Hot Meal Festival. This annual event is held at Christ Community Center in El Cajon, California.

A glorious time in the Lord was enjoyed by all who attended and participated in this noteworthy event.

Pastor Vincent Thomas, Director of the Benevolence and Recovery Department of Voices of Victory National Fellowship, organized the event with the help of his assistant director, Evangelist Smith, and many others of the national fellowship.

The planning started long before Thanksgiving Day with the collection of donated food items for the poor and those in need. Once the food was collected, it was properly packaged and staged for pickup. For those who were not able to pick up their food, delivery was provided.

Overall, we were able to package and provide all the food items necessary for 25 complete turkey dinners for needy families to prepare and enjoy on Thanksgiving Day.

The Thanksgiving Morning Service kicked off with Praise and Worship, followed by testimonies declaring the goodness of God.

Pastor Eric Miller of True Vine Missionary Baptist Church was our guest speaker for the morning service. He brought an awesome word from the Lord as he encouraged the people to trust in God.

Thanksgiving Continues...

Following the morning service, sleeping bags were issued to the homeless. After which we all gathered in the fellowship hall to break bread, fellowship and enjoy the company of those whom we set out to serve and be a blessing to.

The morning was well spent, the hearts and souls of the people were blessed, and the Lord was glorified!

We would like to thank all the covenant churches that were in attendance: Voices of Victory Christian Ministry, Temple of Christ Church, Christ Community Center, and Brothers Keeper Refuge in Christ. Also in attendance was Greater Love Missionary Baptist Church. Your support in making this annual event a huge success is greatly appreciated.

The meal was provided by Sister Linda Robinson of The Good News Missionary Baptist Church, along with her mother, Mother Griffin. They prepared a delicious Thanksgiving meal

of fried Chicken, spaghetti, green beans with potatoes, corn and a heavenly peach cobbler for dessert, along with apple, cherry and sweet potato pies. What a feast!

As we continue to plan and reach out to the disenfranchised of our communities, we look forward to an even bigger event in 2009!

Christmas Day Celebration!

Submitted by Pastor Vincent Thomas—God is so good! Christmas blessings to each and every one of you. God has been so good to us this year that we just have to shout for joy!

The Voices of Victory National Fellowship Benevolence and Recovery Department kicked off the month of December with its Christmas Dinner Box drive for needy families, while continuing to collect sleeping bags, clothing and toys for the disenfranchised.

Included in the meal were Au Gratin Potatoes, fruit cocktail, macaroni and cheese, cornbread, a spiral ham, and a variety of vegetables, including containers of Kool-Aid.

This year we were able to provide a total of 20 dinners to families who were in need, both in and outside the national fellowship.

Gift bags were prepared for our friends without permanent addresses, which included warm hats, socks, shampoo and conditioners, and personal items that are always needed.

This annual event is held at Christ Community Center every year and is headed by the Benevolence and Recovery Director, Pastor Vincent Thomas. Working along side Pastor Thomas is Evangelist Barbara Smith, Assistant Benevolence and Recovery Director.

This big event was held Christmas morning to celebrate the birth of our Lord and Savior Jesus Christ. The program included a traditional service with testimonies, praise and worship, a message of deliverance from Pastor Eric Binjammer of Greater Love Missionary Baptist Church.

After the completion of the morning service, toys were given to the children and everyone gathered in the fellowship hall to partake of a

wonderful meal that was prepared by the women of Christ Community Center. Many thanks to Sister Linda Robinson who organized and supervised the menu and preparation of the food.

We had a glorious time eating and fellowshiping with all of our guests and friends, regardless of status and position in life.

Pastor Eric Binjammer

Once again we would like to thank each and every one who has made this a huge success again this year. We look forward to even greater things in the New Year!

We will love to hear from you!

UK 2050: Church attendance 'to fall by 90%'

Christian Research, the statistical arm of the Bible Society, claimed that by 2050 Sunday attendance will fall below 88,000, compared with just under a million now.

The controversial forecast, based on a "snapshot" census of church attendances, has been seized upon by secular groups as proof that the established church is in decline. But the Church of England has rejected the figures, saying they were incomplete and ignored new ways of worshipping outside the church network.

According to Dr Peter Brierley, former executive director of Christian Research, by 2030 just under 419,000 people will attend an Anglican Sunday service. By 2040 the number will be down to

217,200, falling to 153,800 five years later. By 2050, if the trend prediction is correct, only 87,800 will be attending.

The figures stand in contrast to the picture of faith described by the prime minister earlier this month. In a preface to a new report, Faith in the Nation, Gordon Brown said: "Faith in Britain today is very much alive and well. At the last census, more than three-quarters of the population said they belonged to a faith ... people's religious identities go right to the heart of their sense of themselves and their place in society and the world."

Keith Porteous-Wood of the National Secular Society said: "Church attendance has already

been in decline for over 60 years, all over Britain, in all major denominations and across all age groups, except the over-65s. Independent statisticians now have enough data to predict confidently that the decline will continue until Christianity becomes a minority sect of largely elderly people, in little more than a generation."

The forecast was made by Christian Research in its annual statistical publication, Religious Trends. Benita Hewitt, the organization's new executive director, said she accepted that the figures were disputed and stressed she did not believe they showed people were turning away from religion.

Editorial Notes

We hope and pray that this newsletter is a blessing to you and that you are enjoying our success stories. We are forever moving forward with the vision.

Well, we finished this year out with a bang! Our Thanksgiving and Christmas Day Services were a success with many being blessed by our care and provisions for the poor and needy. Not only did we provide for their physical needs, but we ministered to their hearts and souls with the Word of the Lord. We had a glorious time sharing and ministering to the needs of the people.

Our national women's department took their ministry to the Ronald McDonald House to minister and feed the families there. We'll share that story in our next edition.

Starting this year we will make one change to our newsletter. Rather than publishing once a month, we will publish every two months. Therefore, look for our next edition in March 2009.

Again, our objective is to win souls and continue to promote unity and care for the churches as well as for the poor and disenfranchised throughout the city while actively engaging in community activities. We want San Diego County to be a better place to live.

We believe that we can do all things through the power of God who gives us strength!

The newsletter is available at www.vovnf.com. It is also available in PDF format, making it

easy for you to print and share with those who do not have access to the Internet.

If you should ever have any questions or would like to join this great and growing fellowship, please contact us at (619) 697-8597 or email admin@vovnf.com.

Enjoy and have a blessed day!
Editor-in-Chief:

Bishop Willie J. Moore,
Pastor and Founder of Voices of Victory Christian Ministry, and Presiding Prelate and Founder of Voices of Victory National Fellowship.

Special thanks to Pastor Vincent Thomas for providing pictures for this month's edition.

Stay tuned for upcoming editions!
