Dear Homeowners and Neighbors:

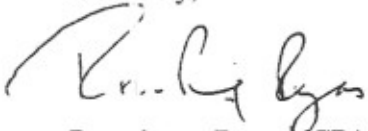

My family and I have enjoyed living in San Diego for many years. I am a Certified Public Accountant with over 33 years experience in tax preparation and accounting field. My practice is a full service accounting firm catering to individuals and small businesses.

With my Income Tax Preparation Service,

- I'll personally discuss your tax situation and prepare your return, providing a handy computerized review and printout.
- If you like, I'll explain the forms, your benefits and returns (rather than just preparing the information for your signature, or outsource to third parties).
- You will be provided professional services and a quick turnaround-time for a reasonable fee.
- You will benefit from my knowledge of ALL current tax laws. (If you moved this year, ask about substantial itemized deductions to which you may be entitled).
- I'll automatically remind you about upcoming filings and other important dates.

I would sincerely appreciate an opportunity to assist you with your tax preparation and planning needs this year. Please call me at 619-298-1682 for an appointment.

Sincerely,

Rose Pang Regas, CPA

P.S. I like my profession! I pride myself on making client visits as efficient and pleasant as possible. Change is what we need - I can help. Give me a call!
